FZO SCHOOLS ENROLLING NEW STUDENTS -- Kommunist, No 49, 1 Mar 49

FZO schools will start regular enrollment of students on 1 March, when it is planned to enroll thousands of boys and girls between the ages of 16 and 20. These students will be sent to schools that train qualified workers for the coal, metallurgical, petroleum, and construction industries.

FZO schools in the Urals and Siberia will have at their disposal over 23,000 centers for training and production purposes, and 28 workshops. Twenty-seven technical laboratories and 30 training centers have been established in FZO schools of the Karganda coal industry.

Large numbers of young people are eager to enter FZO schools. Hundreds of voluntary applications have been received.

MANY ENROLL IN FZO SCHOOLS -- Sovetskaya Moldaviya, No 45, 5 Mar 49

In Sverdlovsk Oblast there are 50 FZO and trade schools which qualify workers for 50 specialties. Enrollment has begun in these schools, and dormitories, study classes, and workshops have been set up to accommodate new students.

About 1,000 applications have been received by the schools for labor reserves in Kursk Oblast. Most of the applicants want to become miners, metallurgists, and ore-refinery workers.

Recruiting for FZO and trade schools has become more active in the Latvian and Karelo-Finnish SSR. Skills most desired in these regions are carpentry, plastering, and stonemasonry.
